For the purposes of the competition, "Drill Order" shall consist of:

(a) Regulation tunic, patrol or serge jacket.

(b) Regulation trowsers.

Great coats and waterproofs may be worn over uniform.

(d) Waist belt, side arms and pouch.

N. B.—All members of a team must appear in "Drill Order," and wear waist belts, side arms and pouches.

TARGETS AND SCORING.

The targets will be 3 ft. 6 in. high and 6 ft. wide, and have on them *three* horizontal bands, the lower 11 inches, counting FIVE; the middle 20 inches, counting THREE; and the upper 11 inches, counting TWO. Ricochets will count same as direct hits.

If the number of hits counted on a target exceeds the number of shots allowed in the competition, *three* marks will be deducted for every such hit in excess, unless it be proved that they have been made by members of the team firing more than the authorized number of rounds, in which case the team shall be disqualified.

VOLLEY FIRING.

Distance—300 yards.

Position—Kneeling, single rank.

No. of rounds—*Five*. After each round the hits will be registered, and the holes patched before the next round is fired.

NOTE—A deduction of from 1 to 3 points per volley will be made for *bad volleys*, at the discretion of the Executive Officer and two other Officers, selected as Umpires. All deductions to be announced at the time, and previous to any further volleys.

INDEPENDENT FIRING.

Distance—150 yards.

The men of a team to be at liberty to fire at the target told off to them, and in their own time; with the provision that the score of a team shall be determined by the value of the hits made in the five rounds, or as many of the permitted five rounds as are fired *within three minutes*.

NOTE—The score made in these matches will be announced as soon as received from the Officer at the butts, subject, however, to check and revision by the Statistical Officer.

DETAILED CONDITIONS OF THE COMPETITION.

1. The teams competing shall parade under the command of their captains for inspection of arms, uniforms, accoutrements and ammunition, at such hour and place as may be detailed, and any team failing to appear at such hour and place shall be disqualified, and not allowed to compete.

2. No change of arms, uniforms, accoutrements or ammunition shall be made after a team has been formed up for inspection; and teams shall fire in the same uniform, and with the same arms, etc., in which they are inspected.

3. Teams will draw lots for places after the officers and markers have withdrawn into the butts. Captains will march their teams from the parade ground to the places in front of the targets to which they have been detailed, and will then extend them in extended order. At the conclusion of the firing, teams may be marched back to the parade ground for further inspection, if deemed advisable.

4. The matches will be conducted by the Executive Officer. He will give the order by bugle call or whistle for the line to "advance" or "retire." On the last sound of the bugle call, or whistle, "advance" or "retire," teams will at once move off in extended order, and in quick time, and each team must conform to the general alignment. When the targets are raised, the teams will halt, load, adjust sights, and fire, without word of command, as

the targets will only remain exposed for 15 seconds. After firing, they will remain halted, until the call "advance" or "retire" is given, when they will move as ordered.

5. Sights may be adjusted at any time, but rifles shall not be loaded until the targets appear.

6. When the line has halted for firing, no member of a team shall move forward into such a position, in advance of the general alignment, for the purpose of delivering his fire, as may be considered dangerous.

7. Coaching of teams by their captains will be permitted.

8. The penalty for infringement of any of these conditions shall be disqualification of the team.

I.—NOTICE TO COMPETITORS.

1. *Competitors must make themselves acquainted with the Regulations, also with the conditions of any Match for which they have entered, as in neither case will the plea of ignorance be entertained.*

2. *Competitors must refer to the Notice Board morning and afternoon to ascertain whether orders have been issued altering the original details of the shooting, or affecting them seriously.*

3. *Competitors must, when at the firing point, comply with all orders given by the Range Officer on duty.*

II.—MATCH COMMITTEE.

The Prize Meeting of the Association will be conducted by a Match Committee of five members (three to form a quorum) appointed by the Executive Committee either from the Executive Committee or from members of Council, with power of substitution by the Executive Committee from time to time as occasion may demand; and said Match Committee shall have power to hear and determine all matters arising at the meeting submitted for their consideration, and their decision, or that of the majority of them, shall be final, binding and conclusive; but they, or a majority of them, may at their discretion refer any question to the Executive Committee, in which case the decision of the Executive Committee shall be final.

III.—EFFICIENCY.

Efficiency in the Active Militia as required in the Macdougall, Military, Dominion of Canada and Walker Matches shall mean in the case of a Commissioned Officer, one in good standing in his corps, in the case of a N. C. O. or private, one who has performed the last annual drill of his corps, or in cases where no such drill has been ordered within twelve months previous to the meeting of the D. R. A. at which he may be present, being a duly enrolled member of his corps for that period.

IV.—GENERAL REGULATIONS.

1. No Active Militiaman shall shoot as a member of more than one corps.

2. No Officer, Non-Commissioned Officer or man employed by the D. R. A. for duty in connection with the Matches, shall shoot either for a prize or for practice, nor shall he or they be permitted to solicit, participate, or be interested in, any bet, stake or pool on any match.

(g) In the "Military Matches" the teams must appear in the drill order of their arm of the service, and the members must *bring with them* the necessary uniforms, belts, pouches, and side-arms, as stipulated in the conditions contained in the regulations for the Gzowski Military Match, No. XII.

Officers of a corps must all appear dressed in the same order, as must also Non-Commissioned Officers and Privates. Where a duly authorized undress uniform for Officers exists, they (the Officers) may appear in it, although the Non-Commissioned Officers and Privates may be in full dress.

4. All protests must be made in writing and handed *at once* to the Range Officer in charge, who shall note thereon the hour of receipt, and send it, with his remarks, to the Executive Officer who shall investigate the matter, and if unable to decide or settle the same, he

shall transmit the protest, with his remarks thereon, directly to the Secretary, by whom it shall be laid before the Match Committee for action, and the Match Committee reserve the right to refuse or accept any protest or complaint presented after the expiration of *two hours* after the occurrence upon which the protest or complaint is founded. Any competitor who may be dissatisfied with the ruling or decision of the Executive Officer, may appeal direct therefrom to the Match Committee, through the Secretary.

In *Matches* where the prizes are offered to *teams only*, the members of each team shooting together will be permitted to "coach" or "spot" for each other, and to use binoculars or telescopes for that purpose, provided their doing so does not delay or impede the shooting. The duly recognized Captain or Adjutant of a team, although not himself shooting, will be permitted to assist his team in a like manner, and to appoint spotters to assist him. With the above exceptions no other persons will be allowed within the ropes, or permitted to offer advice or instructions to the competitors.

17. Any violation of these rules, or any part of them, must be at once reported by the Register Keeper to the Officer in charge, who will caution the offender, and on any repetition of the offence shall report the same to the Executive Officer, so that the case may be dealt with by the Match Committee as laid down under the head of "Penalties," and the person or persons offending may be removed from the firing point.

V.—PENALTIES.

- (c) Who shall be found with a loaded rifle except at his proper firing point and engaged in competing ; or

- (b) Who shall infringe any of the instructions and regulations for the conduct of the meeting while shooting for any particular prize ; or

shall, on the occurrence being proved to the satisfaction of the Match Committee, have his score for that particular prize disallowed, and if such disallowance refers to the grand aggregate, he shall also forfeit all claims to shoot in the Governor General's Match.

VIII.—FINES.

Any competitor who shall accidentally fire at the wrong target shall be fined one dollar, to be paid forthwith to the Range Officer.

IX.—MITIGATION OF PENALTIES.

The Match Committee shall have power to vary, mitigate, or remit any of the above penalties.

X.—POSTING OF PENALTIES.

1. In cases where a competitor is "excluded from any further competition," or where his "score is disallowed" for any particular prize, the *circumstances only* under which the penalty was incurred shall be posted on the notice board, as a warning to others, without the NAME of the individual implicated.

2. In cases of "disqualification," the NAME of the offender as well as the particulars of the case shall be posted on the notice board.

XI.—PRIZE WINNERS.

(a) Unless otherwise specified, no one will be allowed to take more than one prize in any competition.

(b) Winners of prizes will, on signing the official list, receive the amount or amounts due to them from the Treasurer of the Association.

(c) All Challenge Cups and Shields must be returned to the Treasurer on or before the 26th August, 1898.

XII.—DISTANCES, TARGETS, SIGNALLING, & SCORING.

(a) In all matches except the Military Matches the targets shall be of the following dimensions and divided as indicated, with the values allotted to hits in the several divisions. The marking is by means of discs raised when the target is lowered:—

DESIGNA- TION OF DIVISIONS.	DIMENSIONS OF DIVISIONS & TARGETS.			Value of Marks.	Color of Disc.
	200 yds.	400, 500 and 600 yds.	800 and 900 yds.		
Bull's Eye .	8 in. diam.	2 ft. diam.	3 ft. diam.	5	White.
Inner	20 "	3 "	4½ "	4	Red.
Magpie ...	32 "	4 "	6 ft. square.	3	Black & White.
Outer	Remainder of a target 4 ft square.	Remainder of a target 6 ft. square.	Remainder of a target 6 ft. high by 12 ft. long.	2	Black.

(b) In the two Military Matches (XII) and (XIII) the targets will be as previously specified—*Vide* regulations for the "Gzowski" Military Match."

(c) If a shot hits the ground in front of a target and then rebounds and hits the target it is a ricochet, and is marked in the ordinary matches by waving a black bar across the target, it has no value but is marked on the score card by the letter R. In the two Military Matches ricochets are counted of the same value as direct hits.

(d) *Misses* will *not* be signalled; but if a target is lowered under the impression that it has been hit, and no hit is found on the target, after raising it the marker will wave a *black disc* across its face, to signify that the target has not been struck.

2 Any target hit, is lowered into the butts for examination and the position of the hit is shown when the target is again raised by a *spotting disc* fastened through the bullet hole.

3. When *two* shots strike a target simultaneously, that which has the highest value alone will be signalled by the *signal disc*, and the competitor whose proper turn it was to fire at the target will be credited with that shot, provided that he has fired. *Both shots will*, however, be shown with *spotting discs*.

4. In Military Matches, if the number of hits counted on a target exceeds the number of shots allowed in a competition three marks will be deducted for every such hit in excess of the number of such shots, unless it be proved that such hits on the target in excess of the number of shots allowed could only have been made by competitors in the squad firing more than the authorized number of rounds, in which case the squad shall be disqualified.

5. The signalling shall not be questioned, but if a shot is not signalled and the officer in charge of the firing points be satisfied that a reasonable doubt exists as to whether the shot may have struck the target, he may call on the officer in charge of the butts to examine the target, *and the result of such examination as signalled shall be final.*

6. Any competitor or officer in command of a team challenging a shot must deposit the sum of *fifty* with the officer in charge of the firing point, which shall be forfeited if no hit is found on the target.

7. If on a target being raised the *spotting disc* appears manifestly to disagree with the *signal disc*, the Register Keeper shall stop the firing at the target and report the circumstances to the Range Officer, who shall decide the shot, after enquiry of the officer in charge of the butt, but no deposit will be required, nor shall there be any appeal from the decision given.

8. All claims for shots signalled *must be made before* another shot is fired at the target in question..

9. If at the moment at which a competitor fires, his target should be lowered in such a manner as to falsify the result of his shot, the Range Officer is empowered to cancel the result of such shot, and to permit the competitor to fire another shot in its place.

10. All alterations of the Register must be initialed by the Officer making them, but no alteration except in the case of a clerical error, shall be made without his first having signalled to the butt.

11. No person will be permitted to go and examine a target during the meeting except the Executive Officer, or such person or persons as he may duly authorize to do so on his behalf. In the Military Matches a special officer will be detailed to check the hits on each target.

XIII.—RIFLES.

The arm to be used in all matches shall be the Martini-Henry rifle, either of Government issue or of *bona fide* Government pattern, and bearing the Government viewers mark.

1. Weight not to exceed 9 lbs. without bayonet.
2. No pad or shoe for the heel plate will be allowed
3. Minimum pull of trigger 6 lbs.
4. Sights to be strictly in accordance with those of Government issue. Filed sights will not be allowed.

(a) All sights may be temporarily blackened or whitened, but black and white must not be mixed so as to produce grey, and no application of colour will be allowed after the competitor has taken up his position at the firing point.

No application of a permanent nature will be allowed.

No shading of sights will be permitted.

- (b) The *back sight* may be tilted forward or backward, or supported at any angle by any extemporized means.
- (c) The sliding bar, with its three permanent lines, may be inverted and used on either side of the flap; and temporary marks, removable at pleasure, may be used but not consisting of slips of paper or other substances capable of being shifted or removed.

XIV.—AMMUNITION.

The Ammunition will be furnished free of cost, *but only that provided by the Dominion Rifle Association will be allowed to be used in any of the Matches.*

XV.—POSITIONS.

(a) Unless otherwise specified the shooting at all ranges shall be from the firing points, and in the positions detailed in the conditions of the several competitions.

(b) At distances beyond 500 yards, all shooting may be in any position.

(c) In the standing position, the whole of the forward hand and wrist must be in front of the trigger guard.

XVI.—ORDER OF SHOOTING.

1. Competitors must be present at the firing points five minutes before the time stated on their tickets, or in the case of a team, at the hour specified on the notice board, otherwise they will not be allowed to shoot; the time to be regulated by the clock in front of the Secretary's office.

2. When at the firing points, competitors must comply with all orders given by the Range Officer in charge.

3. All preliminaries must be completed before taking a position for firing, and will not be allowed as an excuse for delay.

4. In all ordinary competitions competitors shall, as squadded, be formed up by threes, and fire shot and shot *alternately*.

5. When but *one* competitor is present, he shall fire his shots without undue delay, but the officer in charge of the firing point, *or some one named by him*, must witness the shooting and countersign the register. Failing such verification the score will be invalidated. Any person present whom the competitor may name will watch the score recorded, and if need be raise objection *before* the next shot is fired.

6. No two competitors may shoot in any competition with the same rifle, nor shall a competitor change his rifle at any range during a competition unless his first rifle should become unseviceable through an accident, which must be verified by the officer in charge.

7. The competitor must, after delivering each shot, pay attention to the score called out by the Register Keeper *and himself see that such score is correctly entered on the black board*, so that any objection to *the score as recorded* may be investigated before the next shot is fired.

8. In the case of unreasonable delay in firing on the part of any competitor, or such delay as the Range Officer may consider likely to prolong the firing beyond the time allowed, the Range Officer shall have the right to caution and time the competitor by a sand glass purporting to run one minute, more or less, and if after such caution the competitor does not fire before the sand glass has run out, the Range Officer shall declare the shot forfeited, and call on the next competitor to proceed with the firing.
